Thank you for your interest in the post of Reprographics/Multi Media Technician at Bedford High School.

Bedford High School seeks to appoint an effective and enthusiastic Multi Media Technician who will work closely with staff and students, establishing good relationships and team working. The successful candidate will have good IT skills, be tech savvy, able to work unsupervised and provide reprographics support and multi-media technical assistance to all school staff and students.

At Bedford High School we are dedicated to offering our students a high quality education in a well ordered and purposeful school environment. Our values are: To Care, To Learn, To Achieve. We seek to develop happy and successful citizens who will make a valuable contribution to their community. We were judged to be a 'Good' school in May 2018. We are proud of what we have achieved but we are far from complacent and we are acutely aware that there is more to do to achieve our ambition to become an 'outstanding school'. To support our aim we have extremely challenging data targets, underpinned by strong development planning and rigorous accountability.

If you feel you have the necessary skills and qualities to undertake this role, we will be delighted to receive your application.
