Introduction

Thank you for your interest in this position. We are a 'Good' school in all areas (Ofsted, March 2023) and are on a mission – to provide an exceptional education for every young person that we serve in our school community so that their life chances are transformed.

I started as the new Headteacher at the school in September 2020 with extensive headship and school improvement experience.

Our recent inspection report talks about the 'transformative improvements' in the school in the last few years, reflected in our culture, ethos, quality of education, outcomes and inspection report. You can read the full 'Good' report here: [LCEHS Ofsted Report](#)

The conditions are ripe to continue our journey towards being excellent in all we do. We are now looking for a committed and aligned individual with drive and passion for the school's ambition to raise and support the aspirations of all students and bring about a love for and success in Science.

Our school is underpinned by its Christian values of *Caring, Learning* and *Succeeding*. These palpably define the culture of the school. We test all we do through the lens of what is right for each child.

You will hear us use the phrase 'ruthlessly compassionate' which means each and every day we have the resolve, commitment and highest of expectations to do the right thing for every child, because every child has the right to an exceptional education.

We have a high-quality Science curriculum, values-driven leadership and a team of subject specialists. In applying for this role, you could be part of our exciting journey towards excellence.

Before applying listen to my message and check out our website:

If you are interested in the role and committed to our mission and values, I look forward to receiving your application.

Headteacher

About us:

We are a vibrant and inclusive 11-16 comprehensive school of around 800 students with an established reputation as a welcoming and forward-thinking learning community. Being located on the Warrington/Wigan border gives us a Warrington postcode but we are part of Wigan LA. We serve the community with most students living locally in the towns of Leigh and the village of Lowton. Our student intake is broadly average in terms of prior attainment and student deprivation.

As a Church School our Christian faith shapes everything we do. We strive to demonstrate to students that each one of them is of infinite worth as a child of God and they are the 'lights of the world', who can make a positive difference to the school. Our admissions policy does not require students to attend Church, rather we pride ourselves on being a mission-led school in the community for our community.

In a *recent parent survey, our parents told us...

- **97%** would consider recommending Lowton to another interested parent.
- **94%** agree that their child is getting the appropriate amount of work.
- **93%** agree that communication from the school is informative and helpful
- **92%** agree that their child is well supported in their learning.
