Background information

Kingsway Park High School opened as a new school in September 2010 due to the closure of two neighbouring schools (Springhill High School and Balderstone Technology College).

There are presently over 1300 students (Yr7 – 11) and 170 staff who attend or work at the school. In September 2013 the school moved permanently into the new facilities on the Turf Hill Road site. The school has state of the art facilities and resources and we are very proud of the high quality facilities, resources and environment that we provide for both staff and students.

In July 2017 an OFSTED inspection took place and the outcome was that the school continues to be a GOOD school. There are a lot of things to celebrate in the OFSTED letter (found on our website or on the OFSTED report website). It truly encapsulates the ethos, vision and culture of the school. I strongly recommend that you read it so you have a clearer picture of what we are as a school.

Mission Statement

As our society evolves and becomes ever-more demanding for our young people and future leaders, we recognise and welcome the challenge of preparing our students to step up and take their place at the forefront of tomorrow's society. Our diverse student body enables enrichment for all of us on a daily basis.

Kingsway Park High School transforms students' lives. Through our relationships, we strive to instil both resilience and an intrinsic motivation to become confident, creative and highly skilled students, capable of meeting tomorrow's challenges head on.

We strive to establish a culture rooted in achievement and progress that encourages our students to grow academically, personally and socially; equipping them with the values of equality, fairness and openness.

We pride ourselves on our relentless drive to achieve outstanding, high quality teaching that provides a safe, supportive and encouraging environment for all our students to be able to realise their academic potential in pursuit of educational excellence.
