We believe in strong discipline, which allows our teachers to teach, and our students to learn. As a result, we will improve student achievement through high-quality teaching in a safe and caring environment. We value each individual child in our school and recognise that each has different talents and gifts, which we will nurture over the course of their school journey. We will help each student to develop, both personally and academically, so that they have the knowledge and skills to progress to an aspirational career, a fulfilling life and make a positive contribution to their local community.

The school will be moving into a modern, state of the art building, with stunning views of the local countryside but within easy access of several motorway links. We can offer you the opportunity to shape and develop a curriculum which will capture students' interests, provoke serious thinking and develop their intellectual curiosity. The curriculum will be culturally relevant to our students and will serve to develop social attitudes and behaviours, celebrate British values and ensure that students have an inclusive approach to their local and global communities. Edgar Wood will have an extensive enrichment programme which will ensure that all pupils are engaged in a curriculum suffused with memorable experiences and rich opportunities for learning.

Background Information

Edgar Wood Academy

We are incredibly excited to have been chosen by the Department for Education (DfE) to open a new school to serve the local community in Middleton and Heywood. Helping our students realise their potential lies at the heart of everything we do. Through a culture of mutual respect, positive behaviour and high standards, we aim to inspire and engage all pupils, regardless of prior attainment or social background.

We have been progressing our plans to open the Edgar Wood Academy since entering the 'preopening' phase of the free school process in June 2019 and are preparing to welcome our first year 7 students in September 2021.

Our 11-16 state-funded secondary school has been working closely with Rochdale Borough Council to meet the estimated shortfall of places for current year 6 students and is proposed to open with an initial intake of 120 year 7 students in temporary accommodation within the grounds of Hopwood Hall College's Middleton campus in September 2021. The permanent school building is targeted to open in September 2022.

Outline planning permission has been granted for the permanent site, which will be located on land at Bowlee, in the Middleton area of Rochdale. This will be a new modern building with state-of-the-art facilities.

Altus Education Partnership

The Altus Education Partnership is a Multi Academy Trust and was established in April 2017 by the governing body of Rochdale Sixth Form College, an outstanding A level provider established in 2010. The college was awarded outstanding status by Ofsted in 2013 and has developed a national reputation for excellence, having been used in Ofsted case studies for sharing best practice. The development of the Trust stemmed from a commitment to raising aspirations and improving the life chances of young people throughout the borough of Rochdale. In 2019 the Trust was successful in its application to open a new free school, the Edgar Wood Academy, which will serve the local community in Middleton and Heywood.

We are committed to supporting all children in their academies to progress to a successful career, life and employment path of their choice.

All our academies will share a collective identity as providers of the highest quality teaching with high expectations of learners, coupled with effective assessment and intervention. Young people in our academies will engage with opportunities to develop their own skills and aptitudes to support their progression, while making valuable contributions to their communities. Leaders and teachers will take a collaborative approach, sharing best practice at a local, regional and national level, to continuously improve the performance and outcomes of all academies in the Trust.

Altus Education Partnership Values

The values of the Altus Education Partnership will be embedded and visible throughout all the academies. Each will have its own unique identity built around the core Trust values. These are:

- Unrelenting commitment to improve the quality of our provision and enhance the lives of our students.
- Openness in the way we build trust and bring purpose to our work as a Multi Academy Trust.
- Accountability through the rigorous, transparent and forensic analysis of all aspects of our performance.
- Commitment to the principles of inclusion and equality.
- Dedication to the borough of Rochdale and its surrounds.
- Collective responsibility for one another and the results of all our students – ‘if one fails, we all fail’.

The ambition is that by the time students leave they will:

- Have achieved their personal academic potential giving them a greater choice in life.
- Have the highest aspirations and developed the self-esteem, confidence, and emotional resilience to exploit their potential.
- Be contributing members of the community and have compassion for others.
- Be able to celebrate their success and that of others.
- Have developed the confidence to overcome barriers to success.
- Be articulate, creative, and prepared for future growth and learning.
- Be happy!

Shared objective for all staff

"To maximise students' achievements"

- At Altus Education Partnership we do this through engaging our students in their subjects and inspiring them to enjoy their studies in a totally positive atmosphere.
