

In all things faithful

July 2020

Dear Applicant,

Thank you for your interest in the position of Maths teacher (to cover a maternity leave) at St Damian's RC Science College. This is an excellent opportunity to become part of a great team. It is suitable for any qualified Maths teacher, but in particular it would suit an NQT in their first year of teaching. We have a very comprehensive CPD program for all teachers, including excellent NQT development.

We are an outstanding Catholic school and our Ofsted and Salford Diocesan reports can be found on our web site. As well as these two outstanding reports mentioned, we have also been awarded a plethora of external awards which shows our commitment to developing the whole child. These range from Anti-Bullying Initiatives, Careers Guidance Awards, to Healthy Eating accolades, the Inclusion Quality Mark and Young Carers Award. In June 2018 we achieved the Gold Investors in People award. This report, which can also be found on our web-site, epitomises our strong Catholic Community where positive relationships within our community are seamless.

What does St Damian's offer?

- ✚ A Maths department that focuses on achieving the best possible pupil outcomes
- ✚ A Maths department with committed and dedicated staff who would warmly welcome another great teacher
- ✚ A Maths department that thrives on team work and developing each other to be the best
- ✚ An ambitious whole school staff who work together as a strong and united team. In our most recent Ofsted, November 2017, it states that '*staff morale is very high*'
- ✚ A very supportive staff network in College that reflects our Catholic ethos. Senior Leaders do value and appreciate the great staff who work here
- ✚ Excellent CPD opportunities for all as we believe strongly in developing our teachers and leaders
- ✚ A relatively new 'fit-for-purpose' building that is conducive to learning [opened May 2011]

What are the governors looking for?

- ✚ A teacher who believes in our Catholic Mission and will celebrate all our successes
- ✚ A teacher who puts 'pupils first' and who doesn't accept second best
- ✚ A teacher who is ambitious in the best possible sense, and who is committed to pupil progression and excellence
