Welcome to The Bishop Fraser Trust from the Chief Executive, Tania Lewyckyj

The Bishop Fraser Trust was a new MAT set up on the 1st December 2017 with St James's CE High School (11-16) and Canon Slade School (11-18). Bolton St Catherine's Academy (an all through school from nursery to Sixth Form) joined the trust on the 1st May 2018.

All our schools are situated in Bolton and all remain part of Bolton's collaborative network where 17 high schools work together through the Bolton Learning Alliance. We are an **outward facing trust** and constantly look to learn and collaborate with others. We are also part of **St James's Teaching School Alliance**, which offers excellent CPD and school to school support. Our links with **Manchester Diocese, GMLP and the Bolton Learning Partnership** continue to be strong.

We became a trust to secure the special nature of our individual schools as we do not think that one size fits all. We also wanted to secure our ethos and distinctiveness, enabling us to work together and to become the trust of choice for local families and staff. Staff are very important to us as we rise or fall by the professionalism and dedication of our staff, and that means **all** staff.

It is an absolute privilege to have the opportunity to make a difference in the lives of our young people. From 3 to 18 years old, we have the potential to enhance life chances in all of our schools and improve our town at the same time. **Our focus is on more than exams;** it is about the development and wellbeing of the whole child, allowing them to effectively thrive in this fast moving world in which we live. If this is the first time you have heard about us, we hope you are inspired and feel that you could thrive within our positive and aspiring trust.

Tania Lewyckyj

Tania started her career in teaching 35 years ago and has worked in a number of schools across the North of England, as well as a year teaching English in Japan. Tania has been a headteacher for 10 years, is an NLE and set up the St James's Teaching School in 2012, which has gone from strength to strength, offering excellent training and development opportunities from NQT to Headteacher level for the trust and beyond. Tania also leads on the Christian Leadership Programme on behalf of the Manchester Diocese, training future leaders.

Great people.....

We aim to recruit outstanding people who have the right attitude. If you have a love for teaching and are passionate about seeing children succeed, we would love to hear from you! For our part, we will provide excellent development opportunities, leadership training and the time to develop all of this so that you can be the best you can be.

Recruiting the right teachers and staff helps us to achieve the goals we set for our children. We are always keen to hear from educators who are passionate about working for the schools and communities we serve. We would rather make no appointment than appoint someone who does not share the same positive ethos that runs through our Academies. For this reason, we try to articulate clearly our vision, values and expectations when putting together information for applicants.

We aim to recruit staff who:

- are excited by their role and by the prospect of working with young people, even those who are less well motivated;
- love the processes of learning and teaching and are keen to continually develop their own skills;
- recognise that teaching can be a demanding job but react positively to those demands with resilience;
- wish to make a real difference in the lives of others;
- will subscribe to the ethos of the Trust and 'go the extra mile' in terms of time and commitment to get the very best from our young people;
- are quick to praise and slow to criticise; and are not afraid to admit to seeing themselves as potential leaders of the future.

CPD and training

Continual Professional Development is seen as a priority at all our schools. It is vital that staff have the time to further develop themselves and to stay abreast of changes within education, developing pedagogy and practice through innovative processes which are research based. On a Wednesday afternoon, the pupils leave school slightly earlier and staff have two hours of training and development. This provides an opportunity to work with our trust schools and has allowed us to do cross moderation and joint training. It also allows valuable time for departments, encouraging joint planning and subject development.

The Bishop Fraser Trust, via the St James's Teaching School Alliance, offers a clear professional development route, from NQT to headship, allowing staff to take opportunities within leadership at all levels, should they wish to. We are proud of the work carried out by our 35 Subject Leaders in Education (SLEs) and hope to grow more in the future.

Welcome to Bolton St Catherine's Academy from the Headteacher, Rachael Lucas

Dear applicant,

This is an exciting time to consider joining the highly professional team at Bolton St Catherine's Academy, a centre of learning where achievement, expectation and enjoyment combine.

At BSCA we believe learning is the key which opens the door to a whole life of opportunities. As a family, at the heart of our local community, we care for each other. Together we continually strive for excellent teaching which inspires engaged and motivated learning. We make sure that every member of our BSCA family is empowered to; BELIEVE in ourselves; STRIVE to reach our goals; CARE for each other and the world; ACHIEVE all of which we are truly capable. From these values we build a future of hope.

At the heart of our vision are our four values- Believe, Strive, Care and Achieve. These values underpin all that we do at BSCA.

We are a fully inclusive, purposeful all age Academy that sets high expectations of both our students and our staff. We understand that success stems from positive relationships and people will learn and work far more effectively in an environment where they are happy, feel secure and where they feel they can make a positive contribution.

We have an exciting, engaging and relevant curriculum that responds to the needs of our young people. Our curriculum enables staff to encourage and develop students' learning through stimulating and modern teaching. We are supported in delivering the curriculum by our fabulous new building with state of the art technology and innovative learning spaces.

Our staff firmly believe that they can make a difference by putting our students at the heart of the educational experience. As well as focusing on their students' progress, achievement and enjoyment, staff have the flexibility to develop effective and innovative approaches to learning whilst maintaining a relentless focus upon raising standards and attainment.

Our team needs to have determination, view challenges as opportunities and have well-honed interpersonal skills. We must be at the top of our game and understand that our students' achievements are ours and that they are at the centre of everything that we do.

Joining the then recently formed Bishop Fraser Trust in 2018 alongside the Ofsted "outstanding" Canon Slade School and St James's C of E High School and with St James's Teaching School designation, provides opportunities to work collaboratively within the wider MAT community, sharing good practice and building on the much needed improvement work and progress that has been taking place over the past two years.

With our own Ofsted "good" primary and sixth form provision and the great work we are undertaking in the secondary phase of the Academy, we are confident that Bolton St Catherine's Academy will continue to progress on its mission to provide a high quality education for young people in north Bolton.

We are seeing rapid yet well considered changes in the way we help our learners to better understand concepts such as "behaviour for learning" as well as the consequences that come with both good and challenging behaviour. We are determined to develop the mind set and culture within the Academy so that every member of our community, student and staff, wishes to and strives hard to make progress, taking immense pride in their effort and work.

With the fantastic facilities we have in our £36m new build, a progressive attitude to CPD and advancement through the MAT's own teaching school and a strong and supportive senior leadership team, the new Bolton St Catherine's Academy is a great place for you to make a real difference in the lives of the young people of Bolton. We look forward to receiving your application.

Headteacher's Personal Assistant post

There has been much change since my arrival in September 2017 and there will continue to be so as we all strive to do what is needed to effect the required improvements, but by working together and always keeping students at the heart of all that we do, we can achieve great things.

We have this academic year undertaken a review of our Senior Leadership team structure and the new SLT structure in September 2020 will be as follows:

- Headteacher

Primary phase

- Deputy Headteacher - Gareth Watson
- Assistant Primary phase Leaders x 2 – KS1 & KS2 – Chris Hill and Janine Watson

Secondary phase

- Deputy Headteachers x 2
 - Quality of Education – Ben Ward
 - Pastoral, Inclusion and attendance – Jason Whittaker
- Assistant Headteachers x 2
 - Progress and attainment – David Williams
 - Teaching & Learning – Bernard Mooney
- Associate Assistant Headteachers x 2
 - Supporting Raising Standards – Rachel Murphy
 - Supporting Teaching & Learning & Performance Management – Rachael Robinson

The SLT is supported by a team of Curriculum and Learning leaders and an Assistant Director of Standards with responsibility for Higher Prior Attainment students (HPA) and Student Voice. There a number of TLR posts for specific responsibilities.

At Bolton St Catherine's Academy it is really important that we recruit the best practitioners or those with clear potential to become outstanding practitioners. Our students need and deserve this.

We have a really strong set of staff ably supported by some superb support staff. We are all motivated by the desire to improve life chances for all our students. This is underpinned by our school values of Believe, Strive, Care and Achieve. These values shape everything we do and try to achieve in school.

My PA and I have a really close working relationship built on mutual trust and respect. Being a PA means you are privy to some very confidential and often quite delicate information. We work as a team, supporting one another as much as the PA is a support role to the headteacher. My PA also offers support to the wider SLT in terms of general administration. The PA is a pivotal role often working with some of most hard to reach families and so good personal skills are absolutely paramount.

We have a really strong set of staff ably supported by some superb support staff. We are all motivated by the desire to improve life chances for all our students. This is underpinned by our school values of Believe, Strive, Care and Achieve. These values shape everything we do and try to achieve in school.

I say to every candidate that sits in my office that to be successful at St Catherine's you really need to like change, you need to be here for the students- this is not a short term career step before moving onto the next big thing and most of all you have to want to work collaboratively to find innovative solutions that may seem a little out of the box. We are not afraid to take risks to make things work for the students. Working in a through school is a real pleasure and privilege that we shouldn't take for granted.

I look forward to reading your applications and am available for a telephone chat about school if we cannot facilitate a school visit due to the current restricted school opening.

Rachael Lucas

Some other helpful information

Students leave early on Wednesdays, facilitating a 2 hour weekly slot for either dedicated administration time, CPD, team meetings etc.

Jason Whittaker, our pastoral Deputy Headteacher joined us in September 2018. Since his arrival, a new behaviour strategy 'Steps to Success' has been introduced and continues to be embedded in school routines. Consistency of application of this policy, use of correct language for learning and appropriate behaviour judgements and subsequent actions by all staff across the whole school is crucial to changing culture and moving the school forward. Students start each lesson with an attitude to learning score of '2' – 'Accepting the challenge'. Dependent on their decisions and actions during the lesson, students can be moved according to the following scale:

- 1 – Determined to succeed
- 2 - Accepting the challenge
- 3 – Lost learning
- 4 – Selfish behaviour
- 5 – Disrespectful behaviour

Rewards, sanctions and required teacher actions arise as a result of the categories a student is allocated in each lesson.

In September 2019, RISE time was introduced (Recognise, Inspire, Support and Engage), where students start school 15 minutes earlier at 8.30am and attend a whole year group RISE time session conducted by a member of SLT and supported by the relevant year leader. Class teachers collect their students from RISE time to take to lesson 1 at 8.45am. Form time, assemblies and a weekly PSHE lesson take place immediately after lunch.

THE TRUST & VISION

We are a recently formed Multi Academy trust which currently runs with a family of three schools, potential four with the application for a free school.

- St James's CE High School (11-16) Judged outstanding by Ofsted

- Bolton St Catherine's Academy (currently 3-19 but moving to 3-16 in September 2021) judged RI by Ofsted but primary and sixth form are seen as good.

Our schools are supported by St James's Teaching School Alliance and the Bolton Learning Alliance.

Bolton St Catherine's Academy is based in a new state of the art building, whilst St James's and Canon Slade's buildings are more traditional in appearance but in good condition. However, it is what we do in the building that matters!

ABOUT OTHER SCHOOLS IN THE BISHOP FRASER TRUST

Canon Slade School

Headteacher: Karen Sudworth

Canon Slade School has a long and distinguished history, originally founded in 1855 by the then Vicar of Bolton, Canon James Slade. Over those one and a half centuries, the school has served families throughout Bolton and much farther afield in providing an outstanding education set firmly within a strong Christian ethos.

Though the school has changed much since its inception, our motto ***“Ora et labora”*** (Pray and Work) is still the guiding principle. It is this commitment to work and the Christian life that ensures the success of the school and its ability to flourish in a constantly changing and challenging world.

A visit to the magnificent school chapel bears witness to the centrality of Christian faith. Every member of the school community is involved in an act of Christian worship each day and everyone is expected to do their best in every aspect of their work. High standards of behaviour are demanded and mutual respect is part of the embedded culture.

Christian values of compassion and love for one another allow each individual to grow in a safe, caring community which has high expectations for all.

The Ofsted inspection of December 2012 rated the school to be outstanding in each of the four categories judged under the Inspection Framework. The National Society Statutory Inspection of Anglican School Report was also judged to be outstanding.

Canon Slade School is a friendly, vibrant and exciting place in which every member of the school community is recognised and valued for the individual they are, made in the image of God, and where each is given every opportunity to fulfil their potential

St James's C of E Church of England High School

Headteacher: Catherine Anderson

St James's is judged 'Outstanding' by Ofsted and is currently in the top 3% of schools nationally for teaching and learning.

The school motto of 'Caring for Others † Achieving Excellence' is central to everything we do. When young people join the school, they become part of the school family and through this develop their potential through academic success, personal and social development and self-discipline, based on the beliefs and values of Christian faith.

Academic standards are very high and well above the national average. The school curriculum offers a personalised approach, meeting the needs and abilities of each young person, whether they are gifted and talented or have special educational needs.

It is very important that students feel confident and secure at school and display the Christian values of respect for self and others. The whole school, including its Pastoral Care provision, was rated 'Outstanding' by Ofsted and the school takes pride in the

close links it has with parents and carers. Work within the community, locally and internationally, allows students to see how they can take an active role in society and make a difference in the world.

Pupils and parents are expected to be fully supportive of the Christian principles which form the foundation of the education and care provided. The school intake reflects the commitment of parents to our Christian foundation and also recognises other faiths and service to others.
