Dear Applicant

On behalf of all of the Governors I would like to thank you for your interest in the Headteacher position at Newfold Community Primary School.

We are a two-form entry primary school with nursery and have 472 children currently on role. Our most recent OFSTED rated us as outstanding in all areas of our provision.

We have an experienced Senior Leadership Team and a team of talented and enthusiastic teachers, teaching assistants and support staff. Our children are very well-behaved and keen to learn. Aside from outstanding academic achievements, we have a rich offer of enrichment opportunities and extra-curricular activities that truly enhance the school community. We all strongly believe in our school motto of 'Enriching the lives of all'; we see our school at the heart of our community.

We strive for excellence in all we do, and provide a safe, caring and nurturing environment where all Newfold's children can flourish as resilient, independent learners.

Creativity permeates through every immersive learning opportunity at Newfold to provide a rich and diverse curriculum that motivates learners.

We are passionate about every child, fostering strategies to overcome barriers, being happy, confident and inspired in their unique learning journey.

Our children are well-prepared to meet new challenges as lifelong learners and become active citizens in their community. They demonstrate tolerance and respect to others and care for the environment.

Our continued success is driven by our commitment to the school ethos through a shared vision of innovative and inspirational learning and development opportunities enabling all stakeholders to achieve their full potential.

We would like to appoint someone who shares our vision and will continue to provide excellence for all.

Please do come and visit the school informally and see for yourself what a wonderfully supportive environment we have. You can make an appointment by contacting the Clerk to the Selection Panel by email at michelle.foster@wigan.gov.uk.
