April 2021

Dear Applicant

Thank you so much for expressing an interest in our Headteacher vacancy.

Here at Leigh St Mary's Church of England Primary School we are proud to have established a safe, happy and nurturing environment underpinned by our strong Christian ethos, where children can flourish, succeed and reach their potential. There is a genuine sense of family within the school and strong partnerships exist between pupils, staff, parents, governors and our local church.

Our previous Headteacher successfully led the school through significant change and challenge, from a two-form entry infant school to a through primary. We are now looking for someone who can lead the school forward from its current strong and stable base. The school already provides an excellent standard of education as demonstrated in the latest Ofsted and SIAMS reports but has the potential for even greater development and achievement.

Our experienced governing body are committed to supporting our Headteacher whom we expect to develop good relationships with all stakeholders and continue to engage with established successful practices. We would also look to embrace new ways of working to further improve the educational and pastoral provision of the school.

As a Church school, we are looking to appoint someone who is fully committed to its Christian ethos and is able to further strengthen partnerships with the church and community. The person we are seeking to appoint must have proven leadership qualities, be passionate about our school's vision and build on the excellent foundation provided by our current team of highly motivated individuals.

I hope you will take the time to visit our school prior to application, where you will experience first-hand the warmth and passion for learning and life displayed by our pupils and staff.

Further information about the school may be obtained from our website.

We look forward to receiving your application, should you decide to proceed.

Your sincerely

Sharon Howard
Chair of Governors
