Job Summary

Are you a registered Social Worker who has a passion for working with older people? Do you have an interest in mental health? Well if you do, why not apply to work at Salford Older Adults Community Mental Health Team. This is a part-time position and you will not be expected to be a care co-ordinator.

The successful applicant will be responsible for completing annual reviews, ensuring continued eligibility for Section 117 aftercare and that any assessed, unmet aftercare needs are addressed.

To apply, you'll need to have a professional Social Work qualification and registration with Social Work England.

This is a permanent position and the working hours are flexible, Monday to Friday for 19.73 hours per week.

This position is open to recently qualified social workers, as well as experienced ones who may be wishing to seek a change of work/life balance.

You will be supported by our CMHT colleagues to develop your skills and experience within the field of mental health review and commissioning.

You will be offered regular line management and clinical supervision along with peer supervision. We provide regular support and opportunities for CPD, which can be tailored to individuals' needs and areas of interest.

Staff wellbeing is important at Salford Older Adults CMHT and we offer regular peer support groups, reflective practice groups, mindfulness and other team activities.

You will provide a person centred, statutory social work service for the most vulnerable adults and their carers in accordance with local and national policies and procedures.

You will actively support and participate in the development and implementation of integrated, multi-disciplinary working.

You will take a key role working with partners to safeguard service users through the effective management of risk and the recording and sharing of information.

You will adopt a strengths-based approach to meet the individual needs of people with lived experience through effective support planning.

Key Role and Responsibilities

You will be reviewing care and support needs for older adults with a range of mental health difficulties and ensuring their continued eligibility for Section 117 Aftercare. This will entail support planning and reviewing packages of care for individuals without a care co-ordinator, to promote their rights and well-being according to identified need.

You will be collating information and compiling detailed and accurate support plans and other relevant documentation in accordance with the Care Act 2014, Mental Capacity Act (2005) and Mental Health Act (1983).

You will be working within a multi-disciplinary team and will have opportunities for collaboration and interagency working.

You will be part of a clear professional structure, operating with the support of the Advanced Practitioner for Social Work.

You will work alongside a range of agencies and develop your skills, supporting CMHT colleagues and students.

You will be undertaking social care assessments and reviews that promote independence, improve well-being, and ensure outcomes are being met.

You will produce and agree a support plan, if required, with individuals and their carers/families which acknowledges the strengths within their current situation and any additional support which will enable them to remain as independent as possible.

You will encourage individual choice and participation in service planning to ensure that the person's needs are understood by service providers.

You will support individuals to identify and utilise their informal network of support.

You will maintain clear, accurate, legible, and up to date records, documenting how you have arrived at your decisions within specified timescales when required.

You will respond to and make relevant safeguarding concerns that may arise during the course of your work and will work to the principles of Making Safeguarding Personal and adhere to local and national safeguarding policies and procedures.

Organisational and Professional development

You will contribute to and participate in the general development of the team in which you are located.

You will undertake continuous professional development as required to maintain your Social Work England registration, ensuring your practice remains current by monitoring national updates and ensuring compliance with mandatory training.

To demonstrate the NCA values of People Focus, Continuous Improvement, Accountability and Respect. The post holder must carry out their duties with full regard to the Trust policies and procedures. To work flexibly in the interest of the service. This may include undertaking other duties providing that these are appropriate to the employee's background, skills, and abilities. Where this occurs, there will be consultation with the employee and any necessary personal development will be considered. To carry out all duties with regard for confidentiality and data protection regulations. To be responsible for your own health and safety and that of individuals and / or carers by adhering to policies and procedures The Northern Care Alliance embraces a person-centred strengths-based approach, to support people, to maximise life chances and outcomes and ensure prevention and early intervention. To implement this approach staff should help identify a person's strengths, gifts and abilities including those of their families, friends, and communities, during conversations and interactions. All roles should advocate this community focused approach to ensure people get the right support for them.
