### **DEPUTY HEADTEACHER**

Dear Applicant,

Thank you for expressing an interest in the above post at our school. I hope that, after considering the position, and perhaps visiting our school website, Twitter account or reading our Ofsted and SIAMS reports, you think St Andrew's Methodist Primary may be the school for you.

It is difficult to sum up what makes our outstanding school so special, but top of the list are our fantastic children. They come in every morning with smiles on their faces, eager to participate and try their very best. Our staff team is second to none and high standards, expectations and team-work drive us in our pursuit of excellence.

Our beautiful, modern building is much loved and cared for and you will feel its unique ethos if you are able to visit. Our children are cared for, and make excellent progress, in a challenging, yet positive, learning culture, underpinned by our Christian faith and values. A high-quality learning environment and provision are non-negotiable for the staff and governors here. Resources and skills are deployed well to ensure a stimulating, purposeful place of learning and safety for our children.

The kind of people we welcome onto our staff team are child centred, dedicated professionals who put each individual child at the centre of everything they do. Our children and families deserve the very best and are capable of achieving great things. Our staff work with enthusiasm and never tire of the enjoyment and satisfaction of seeing children achieve their best.

If you are a good or outstanding practitioner, with high standards and expectations and would thrive, working in a supportive, happy team of staff, we would love to receive an application from you.

Yours sincerely,

Mrs Anne Barker  
Headteacher
