

Employee Benefits with #TeamStockport

Discounts

A huge range of discounts on everyday purchases as well as health and well-being benefits are available to our colleagues via an easy to use portal.

Travel Schemes

To make commuting convenient and affordable we have a range of travel options payable through salary sacrifice deductions including a Cycle to Work scheme & Car Lease Scheme

Volunteering

We understand the value of volunteering and how this benefits our communities.

We will support you if you choose to volunteer by allowing up to 4 hours per month (pro rata) to carry out any duties associated with this.

Training and Development

We have a suite of learning and development opportunities available - from important data protection training to 'all level' apprenticeships.

Pension Schemes

When you join Stockport Council, you have the option to join the Local Government Pension Scheme. You can give your pension a boost by enrolling into a salary sacrifice scheme.

Inclusion

We value inclusion within our organisation and beyond. Our employee engagement networks support colleagues and create opportunities to feed into both workforce and borough strategies.

Wellbeing

Your mental, physical & financial wellbeing are at the heart of our priorities. You will be encouraged and supported to focus on your personal wellbeing and that of others.

Home/work life balance

We aim to be as flexible as the job role allows and believe work is what we do, not where we are. Many jobs include part time working, flexi-time and homeworking.

Generous annual leave allowance

Up to 31 days annual leave dependent on grade and length of service, plus bank holidays with the option to purchase additional annual leave.

Ambitious Stockport, creating opportunities *for everyone*
