Application Pack

Learning Support Assistant, Level 3

Westhoughton
HIGH SCHOOL

Letter from the Headteacher

Dear Potential Colleague,

Learning Support Assistant

Thank you for expressing an interest in joining Westhoughton High School. Within this pack, you will find information about the school, job vacancy and the application process. This is an exciting opportunity to work in a forward thinking school, to make a contribution towards shaping its future and build on its successes.

We are looking to appoint an enthusiastic and reliable Learning Support Assistant to work within our Team. An ability to be flexible within a fast paced environment, with excellent interpersonal skills and be able to adapt to new systems and processes, are essential. Experience of working with students with ASD is desirable.

This is an exciting opportunity to work in a highly effective team with a 'can do' attitude. Whilst it would suit someone from an educational background, we would also welcome applications from candidates with the skills and experiences gained from other employment which are relevant to the role. The ability to interact positively with our students and staff is essential.

Thank you in advance for the interest you have shown.

Yours faithfully,

Mr. P J Hart
Headteacher

Welcome to our school

Westhoughton High School is a successful and expanding 11-16, mixed community comprehensive school situated close to the centre of the growing town of Westhoughton, within Bolton Council's boundaries.

We are proud to be Westhoughton's only secondary school; we have strong links with all primary schools and provide many opportunities to work together, including cultural activities and specialist subject support. We believe strongly in serving our community by providing challenging educational opportunities and developing the next generation to be ambitious, successful and worthwhile citizens for our town and beyond. The student population is largely made up of young people from Westhoughton itself, but students also attend from the neighbouring communities of West Bolton, Blackrod, Bolton, Atherton and Hindley.

The school has undergone a transformation in recent years; we have made significant investment in our learning environment and considerably improved the facilities available to our students; GCSE examination results have improved, so that all Westhoughton students can progress successfully to the next stage of their education.

We are proud of our students, our staff and our community and are always keen to welcome visitors. So whether you think you know the school or whether you're just discovering us for the first time, you will see a school that is ambitious for its students, proud of its past and very confident about its future. The school was visited by a team of Ofsted Inspectors on October 20th - 21st 2015 and they awarded the school an overall grading of 'Good' with some outstanding features.

Effectiveness of leadership and management; the quality of teaching, learning and assessment; outcomes for pupils were individually graded 'Good' but we are very proud that personal development, behaviour and welfare was graded as 'Outstanding.'

A high number of parents responded to the Ofsted questionnaire, demonstrating their support for the school; **91% of parents would recommend the school to another parent.** It is also really pleasing to report that the Inspectors took away with them a very positive view of our students, whether in class, in form, on interview panels or just around the site at break and lunch time.

The quotations below will give you the flavour of a very positive Ofsted report that accurately reflects our school.

Ofsted said:

- Leaders at all levels are **passionate** about ensuring that **every student can achieve his or her best** and are diligent in their pursuit of this aim.
- All staff share the Headteacher's determination to **make the school the best it can be.**
- **The behaviour of students is outstanding.** It is outstanding because of the very positive attitude students have to their work and the respect they have towards teachers and others. Students are hardworking, committed to learning and ambitious.
- Students' **positive attitudes** are a key reason why outcomes are rapidly improving.
- The school has a **strong culture of high aspirations** and expectations for success. This is summed up in a notice in one of the classrooms which reads, 'if it isn't excellent, it isn't finished.'
- The attainment of students has **risen every year for the last four years** and is above average.
- High-ability students are being given more opportunities to **reach their potential.**
- The interesting curriculum **effectively prepares students for modern Britain.**
- The Governing Body is **skilled and rigorous** in holding the school to account.
- **Pastoral support is excellent. The school does not give up on any student.**
- Students are confident that **bullying is rare** and that the school deals with it **instantly and effectively.** Promoting students' personal development and well-being has a high priority on the school's agenda.
- Students say that they feel their school is **highly inclusive;** everyone can take part in any activity.
- **The school's work to promote pupils' personal development and welfare is outstanding.**
- During the inspection many students commented on their **pride in their school.** This was reflected in their **neat uniform, clean, litter-free environment** and their appreciation of the work done to improve the buildings and outdoor grounds.

LEARNing

We value academic achievement highly and are ambitious for all our learners to make good or better progress and achieve their full potential. Students have access to the full national curriculum including opportunities to learn a new language, to develop their musical, creative and sporting talents and to develop their literacy and numeracy skills to a high level. Progress is carefully tracked and, in addition to Parents' Evenings, parents will receive a report three times in the academic year. Students are given the opportunity to test themselves against others both locally and nationally through a variety of subject focussed competitions. Every student is encouraged to develop and achieve according to their abilities, aptitudes and interests and our job is to challenge and support them.

Learning beyond the classroom is also very important to the development of the well-rounded individual, whether that be through the Duke of Edinburgh scheme, through representative sport, musical instrument tuition, enterprise activities or one of the many educational visits organised by our hard working staff. These include visits to the theatre, to the Peak and Lake Districts to study the impact of tourism, to the Tate Gallery or further afield with residential trips to London, Prague, Belgium and France. We have a number of enrichment days during the year when the normal timetable is suspended and students engage in a range of different activities to develop their personal and social skills. At Westhoughton, we believe we are ALL learners and every opportunity should be taken to LEARN.

Standards

As a school, we strive for the best outcomes for all our students, regardless of individual circumstances. To do this we require each and every lesson to be the highest quality with an appropriate impact on student progress. We have high expectations as to what the 'daily diet' of our students should be but have strong and robust systems in place to support us all in delivering our ambitions. To develop staff throughout their careers, we invest heavily in professional development focussing on teaching, learning and assessment to improve classroom impact and in addition, leadership development for both experienced and aspirant leaders. We are pleased that staff retention for both teaching and associate staff is strong, as we believe that this reflects the culture and ethos of the school.

Whilst we are proud of the progress that we have made in improving the GCSE outcomes and life chances of our students, we are clear where further improvements can be made to ensure that more students realise their full potential. Whilst performance measures change continually, we have retained a curriculum designed to meet student needs and not secure league table position. This remains one of our core values.

The school seeks verification of its high expectations and delivery whenever possible and as such, we are proud to hold a number of quality standards. Others are planned for the future but below are those secured to date:

Students

We are very proud of our reputation as a school that cares for each individual in the organisation and we do everything we can to ensure all our students are safe, happy and making good progress. The pastoral structure ensures our students meet with their form tutors twice each day so they have a familiar face to talk through any problems or ask for advice. We know our students well and do our very best to ensure they learn in a safe environment so that they will develop into self-reliant and resilient future citizens. When problems do occur, our students know they will be listened to and that we will work together in partnership to resolve them quickly and fairly.

The teenage years provide many challenges, for the young people themselves, for us as a school and for parents, and our experience tells us that working together to the same aim is the best way to resolve them.

We have a range of services available to support young people including:

- Non-teaching Student Support Leaders (SSLs) who look after pastoral needs
- Student Progress Leaders (SPLs) who track and ensure academic progress
- Independent Careers Advice and guidance
- School nurse drop-ins
- Nurture groups
- Peer mentoring
- Buddying system
- Homework support clubs
- Enrichment programmes
- Learning Support Centre with specialist staff

Parents

[We have high ambitions for our students and we are sure they are matched by parents' high aspirations for their children.](#)

We fully acknowledge that students are more successful at school if they are supported by their parents, with parents and school working together in partnership. Just as we need every child to fully engage with the school and everything it has to offer, we expect parents to play an active role in their child's career at our school.

All parents sign a home-school agreement before their child starts at the school which clearly outlines the support they can expect from us and what we expect from our parent group. In addition, we run several parent focus groups where parents can discuss with staff issues such as reporting and assessment and can help drive change.

Every year group has a Parents' Evening to discuss progress with teachers and there are additional events at key stages in your child's education. At times parents may need our support and we may need theirs – and in any active partnership, people support each other. This is because we both have the best interests of every child at heart.

Facilities

In 2017, our new, multi-use, all-weather, floodlit, training pitches were completed and are used enthusiastically by both the school and the local community.

The school buildings have undergone significant renovations and refurbishment to ensure our students are taught in an environment fit for 21st Century learning. Our indoor sports facilities are superb; students have access to squash courts, a swimming pool, a large sports hall, dance studio and a high quality gym, in both PE and Games lessons and also after school, in addition to netball courts, a basketball court and fields outdoors. We have responded to our student voice to improve our cashless catering facilities including bringing in new menus, providing covered areas to eat outside and extending the dining areas through the addition of conservatories.

Student toilets have also been recently refurbished and we have an operative on site throughout the day ensuring that our facilities are clean and accessible. There are vending machines and water fountains available to students. Some students are involved in a garden project and have access to their own allotments on site. Specialist subject areas have bespoke classrooms available to them, including laboratories, technology rooms, workshops and computing suites, supported by non-teaching, qualified technical staff.

Community

We are a successful community school and strongly believe our young people should develop a good appreciation of their heritage and pride in their town and country. We have strong links with local primary schools who are regular visitors to the school; we are supported in the curriculum by local people, including members of the Rotary Club and local businesses, our MP, support agencies and voluntary groups, and our students reciprocate through participation in competitions such as Youth Speaks. Our young people regularly go out into the community to support others, raising awareness or funds for charities or just doing good deeds during focussed charitable projects.

Parents and friends of the school actively support the many school events running in the year, from Parents' Evenings to Careers Conventions via music and drama productions. It is also important that our young people develop a sense of the wider community and they have opportunities to work alongside students from other Bolton schools, for example in joint visits to Oxford and Cambridge Universities. Our students also have opportunities to communicate with their peers further afield through visiting other countries. The world has become a much smaller place in the 21st century and developing their ideas about community, both local and global, will ensure our students are best placed to take advantage of the many opportunities available to them as they grow into adulthood.
