Middleton Technology School

About Us

Middleton Technology School is an 11-16 school, and is one of 3 secondary schools serving the town of Middleton within the Borough of Rochdale to the north of the Manchester boundary. The school is part of Great Academies Education Trust which is a small multi academy trust.

Our mission is "In Pursuit of Excellence". This mission threads through everything we do. We are determined that our school is a school where every child, regardless of background, achieves highly as a result of excellent teaching and guidance.
We value our staff highly, all of whom have a unity of purpose and a determination.

We are also a Teaching School and run the Pioneers Partnership SCITT (school based initial teacher training) .We are rightly known as an excellent training school for staff and we provide exceptional support for all our staff regardless of experience. We are in every sense a learning community.

Expect to work hard but the personal rewards for your efforts will exceed your expectations.

"In Pursuit of Excellence"
