- Ensure all HR policies and guidelines are complied with including specific attention to following safer recruitment guidelines. Ensure all OFSTED safeguarding criteria is followed.
- Provide a day to day HR support to school for teaching staff and key support staff , liaising with Local Authority HR as appropriate
- Take a lead role in Managing Sickness Absence and Leave of Absence across school e.g. monitoring reports, monthly meetings, HR / OHU referrals as required, ensuring consistent decision re paid or unpaid LOA are made in line with school policy.
- Prepare detailed and informative staffing reports for Governors and SLT as required.
- Be a point of contact for staff and SLT for HR matters on a day to day basis
- Develop senior leadership commitment to workforce planning and succession planning considering trends and developments in the education sector and within school.
- Ensures safe record keeping personnel files in compliance with GDPR.
- Measures and reviews organisational learning and development within a culture of personalisation.

3.4 Manage staff performance and development

- Provides HR support in school in collaboration with Bolton HR
- Promotes and establishes quality mark achievements in an environment where learning is valued and willingness and efforts to learn are recognised.
- Builds leading edge multi-professional networking and learning communities.
- Promotes a culture of continuous performance improvement.
- Leads a performance management process for support staff.
- Leads the initial stage of sickness management for staff.
- Leads training for all staff on H&S/data protection/GDPR.

3.5 Build, develop and lead teams

- Strategically leads and develops multi professional teams across the whole-school.
- Celebrates team and individual successes together promoting achievements locally, nationally and internationally.

4. EFFECTIVE USE OF RESOURCES

4.1 Manage finance

- To be accountable for providing a strategic overview of the schools' finances with the preparation of an annual budget for the school that accurately reflect educational plans and other priorities, considering financial implications of educational priorities and critical activities affecting future school budgets, extended schools and multi agency teams.
- Be accountable for ensuring the school has appropriate financial systems and that all aspects of the schools' financial systems (including voluntary funds such as School Fund) are managed in

accordance with these agreed policies and timetable; ensuring accurate financial records are maintained, and reporting on a regular basis to the Headteacher and Governors.

- Be accountable for ensuring compliance with the Schools Financial Value Standards (SFVS). Appropriate use of financial management information especially benchmarking tools, to identify areas of relative spending, assess trends and directly advise the Head Teacher accordingly.
- To ensure annual estimates of income and expenditure are prepared for approval by governors.
- To interpret matters of policy, procedure and statute, to ensure the schools' compliance, including the preparation of policies, guidance and working procedures.
- To lead and prepare appraisals for particular projects and the development of long term initiatives for the school as appropriate.
- To be accountable for ensuring all financial returns for the DfE, LA and other central and local government agencies are submitted within statutory deadlines.
- To maximise income generation within the ethos of the schools and meet the annual budget requirements for income generation.
- To be responsible for the management of the finance staff, ensuring its efficient operation according to agreed procedures, good financial practices and 'Best Value' principles.
- Prepare accurate reports in advance of, attend and actively participate at Governing Body Finance, Premises & Staffing Committee meetings.
- To oversee the management of the tendering for all service contracts; monitoring all insurance policies, with a view to cost effectiveness; and ensuring that the schools maximize their potential from the LA
- To oversee where appropriate capital bids to the diocese, monitoring and control of capital expenditure on buildings and grounds, placing of contracts, appointment and monitoring of contractors and manage thereafter.
- Supporting staff responsible for delegated budgets with procedures which enable them to monitor these budgets effectively.
- To ensure that information given to staff, students and parents is accurate and readily accessible and that it is stored confidentially when appropriate.
- To ensure inventories of equipment and stock are maintained; all statutory and statistical returns are completed as appropriate; the efficient running of the IT administration systems.
- To work with colleagues to develop a modern, leading edge, strategic ICT plan for the school that supports effective learning and teaching, the administration of pupil data and other school administrative functions.

4.2 Manage Health, Wellbeing and Safety

- Leads an organisational culture in which health and safety is prioritised across both the school and extended school services informing the school's strategy, planning and decision making.
- Supports and ensures well being initiatives for all people, students and users of community and extended school services.
- To ensure that the school has an effective and up to date health and safety policy which is reviewed and including the introduction of all Risk Assessment procedures advising all staff as appropriate.
- Ensure that all members of staff, students and partner organisations on site are aware of their responsibilities for promoting safe working practices and the need to protect visitors who may be present.
- To ensure there are systems in place to ensure the installation and routine maintenance of equipment for fire protection and escape.
- To ensure emergency procedures are current and timely.
- To ensure that all accidents are reported and investigated and appropriate action taken to minimise the risk of recurrence.
- To ensure trends are monitored and accident prevention is promoted and that an annual safety report is prepared for governors.
- To join with others in promoting health and wellbeing amongst staff and students.
- To act as Educational Visit Co-ordinator for all educational visits both day visits and residential.
- To work with the catering manager and catering consultants to ensure that menus are well balanced and include healthy options in line with statutory guidance.
- To take a lead role in planning for evacuation and invacuation procedures and develop a plan for disaster recovery.

4.3 Manage physical resources

- Lead and strategically manages physical resources across school and services considering future demands, priorities and issues including off-site premises (St Anthony's Chapel).
- To lead on site development matters; to represent the school in meetings and on strategy groups with respect to the future development of the school facilities within the town.
- To lead on compiling, and implementing, a Premises Development Plan including energy conservation;

- Through regular contact with the premises staff ensuring the proper maintenance and repair of the school is carried out, and progress monitored.

- To deal with all external agencies, delivering services to the school and to deal with all aspects of tendering including Compulsory, Competitive Tendering.
- To ensure the quality of work by contractors, site and cleaning staff is monitored, reporting to Governors as appropriate.
- To ensure the school transport requirements are met efficiently and effectively, with a view to both cost and safety.
- To take the lead on GDPR as the nominated data controller and to facilitate the data breach log.

4.4 Manage environmental impact

- Promotes and ensures a culture of continuous improvement and efficiencies linked to minimal environmental issues.
- Seeks and achieves environmental standards and awards.

5. ACHIEVING RESULTS

5.1 Implementing school service improvements

- Leads a framework and organisational culture in which marketing school services inform marketing strategy, planning and decision making.
- Lead and strategically manages school improvement services across extended school(s) considering future demand priorities and issues.
- Engages regularly with students, parents, communities and stakeholders to deliver effective school service provision.

5.2 Manage Projects

- Strategically leads and monitors the progress of complementary projects across the school including large building work projects and holiday/term time projects.

5.3 Manage school processes

- Strategically leads school business processes to enhance learning and teaching outcomes and personalised learning.
- Recognises, monitors wider developments and manages priorities, expectations and risks associated with future school business processes.

5.4 Develop and strengthens community services

- Leads, promotes and ensures a culture of continuous community centred service improvements across school communities.
- Create a stakeholder voice forum through our Executive Student Voice and parental consultation groups.
- Develops and maintains effective strategic partnerships
- Seeks and achieves external recognition for innovative school community services.
- Facilitates the administration of the school's bucket list activities.

5.5 Improve school performance

- Leads a consistent and continuous focus on students' achievement, using data and benchmarks to monitor school performance
- Leads, demonstrates and articulates high expectations and sets stretching targets for school communities across extended services.
- Challenges under performance at all levels.

5.6 Customer Care

- To provide quality services that are what our students, governors, parents and staff (community) want and need. To give customers the opportunity to comment or complain if they need to. To work with customers and do what needs to be done to meet their needs. To quality assure services delivered.

6. MANAGING SKILLS IN SELF AND OTHERS

6.1 Managing own resources

- Delegates tasks, responsibilities and maximises use of own resources.
- Role models exemplary time management and work-life balance principles.

6.2 Maintain CPD

- Uses research methods to inform and extend professional development for self and seek qualifications at higher degree level.
- Engages in dialogue with other professionals to reflect on own personal and professional learning.

6.3 Develop personal networks

- Develops professional communities and multi agency networks through on-going collaboration and networking.
- Builds collaborative learning cultures and actively engages with other schools to build effective learning communities.
- Extends networking opportunities including mechanisms such as conferences, seminars, local groups, discussion forums, professional development programmes and on-line communities.
- Make active use of the information and resources gained through personal networks, to develop own skills and contributes to fostering distributed leadership.

6.4 Maintain professional values and ethics

- Leads and mentors professional colleagues through local and national networking groups by raising the professional profile and representing professional views.
- Leads and embeds the school business management role across educational services
- Acts with integrity, honesty, loyalty and fairness, always within the limits of professional competence, to safeguard the assets, financial probity and reputation of the school.

6.5 Provide leadership

- Develop leadership structures across a range of agencies and learning providers.
- Uses different and appropriate leadership styles in different situations and seeks and makes use of feedback on leadership performance.
- Understands the dominant types of organisational culture in education and their strengths and limitations
- Creates an inclusive and innovation leadership approach that enables wider collaboration and develops schools' abilities to respond to new opportunities.
- Is integral to School Self Evaluation process.

6.6 Plan school improvements

- Develops strategic school improvement plans across extended services.
- Taking a leading role in the development and implementation of the strategic school improvement plan and future resource requirements including new school builds.

6.7 Valuing Diversity

- To accept everyone has a right to their distinct identity. To treat everyone with dignity and respect and to ensure that what all our customers tell us is valued by reporting it back into the organisation. To be responsible for promoting and participating in the achievement of the departmental valuing diversity action plan

The post holder may reasonably be expected to undertake other duties commensurate with the level of responsibility that may be allocated from time to time.
