QUEST

CEO Welcome Letter

Letter of welcome from CEO

Dear Candidate,

I am delighted that you are considering becoming a member of the **QUEST** Team. Here we all lead to secure a place for **Learning, Innovation** and **Opportunity**, and we seek those who have determination for success, a thirst for continued learning and a drive to be relentlessly ambitious for the students and communities they serve. Here we make a difference and transform lives.

In this pack, I have set out what makes us unique in the educational landscape, defines our success as thriving digital learning communities, and captures our forward thinking and research-led rigour of implementation. We think outside the box here. We listen well and we are clear about our vision for education; a blend of student agency and digital technology for delivery. Here the talent drives the technology. We have created a culture of shared ownership, in partnership with our schools, where we embrace challenge as teams and ensure our core moral purpose is at the heart of all we do. Our Spirit of Purpose is at the heart of all we do.

If you deliver exceptional educational outcomes for the children and young people in your care, have the inner determination to secure success for all and relish the chance to create with us, we would be delighted to hear from you.

Please look through our detailed pack and if this sounds like the role you have been waiting for, and you are ready to unlock your own potential as well as the potential of others, we look forward to hearing from you, meeting you and receiving your application.

Sharon Bruton
CEO

OUR TRUST

UNLOCKING POTENTIAL

QUEST has a clear and compelling vision for the future of education.

As an Academy sponsor, **QUEST** has a strong track record for making a long-lasting positive impact on the life prospects of the pupils and communities we serve. The Trust is a collaborative family of schools. It enables us to build community, hope, dignity and wisdom for all.

Our schools are all about passion, determination and enthusiasm. We see challenges as opportunities and have an unshakeable belief in the right of children and young people to access high-quality education.

As **Century Flagship Schools**, our digital and technological approach to learning is embedded within our curriculum. We harness the personalised support of an Artificial intelligence learning platform and digital devices on a 1:1 basis for all aged 7 and above. We all lead learning in our Trust and all staff are Apple Teachers.

The curriculum is complemented by our coaching approach to develop student agency which promotes life skills of mental toughness, critical thinking and communication. As **Pearson National Award Winners for Digital Innovation 2019**, we are proud to be leading the way by creating and shaping the next phase of education.

Together we will ensure they thrive

Together we are strong

WHY WORK FOR US?

Our staff members are committed, patient, resilient, reliable, and reflective.

Our staff deliver high-quality teaching, hold their colleagues in high regard and display the highest level of professionalism. With honesty and care, our staff will leave no stone unturned in the pursuit of excellence. They are scrupulously honest and act with integrity, deal with students, parents, and staff with respect, demonstrate passion and pride, are prepared, punctual and polite, and make everyday matter and every student count. If you are as extraordinary and have the same skill set, we want to hear from you.

We're passionate and committed to the development and education of our students.

Our children and young people are fearless, ambitious, positive, aware, compassionate, inquisitive, and use their mistakes to grow. They feel safe, have the confidence to explore and share their ideas and take ownership of their learning.

Our pupils and students think of others before themselves and treat their peers with respect and honour. They take pride in their work and want to affect change within the world around them. With resilience and collaboration, our pupils and students will tread the steps to success and become lifelong learners. They value every lesson and every day, respect themselves, each other, and their communities, are polite, prepared, and demonstrate a sense of pride.

How we will meet the demand and ensure high-quality teaching and learning

Our curriculum is designed to lead the way in a new era of learning. We are a teaching school for Century Tech, a cutting-edge Artificial Intelligence Learning Platform. Our experience tells us that our pupils and students are able to close their knowledge gaps faster and more consistently through using this diagnostic learning platform, whilst being supported to overcome challenges and develop critical thinking with our blended approach of coaching support. This is what we all require in life, not simply learning, and our children and young people need to have this inner resilience to support their learning and life chances.

At **QUEST**, we will provide this bespoke support.

At **QUEST**, learning will embrace creative and innovative approaches that engage pupils and students, utilising modern technology and virtualisation to maintain pace and interest. We work 1:1 with students, using iPads and as an Apple School, our teachers strive to make the most of your time, skills, and expertise. Our Trust's digital strategy, **recognised by Pearson as Silver Award Winners for Digital Innovator of the Year**, is evidence of our commitment to excellence for all. This approach, outlined below, is partnered with our life skills curriculum and approach to student agency within all schools in **QUEST**.

This blend of approaches to learning provides our children and young people and staff with a readiness for the professionalism of the workplace, a way of establishing learning habits for life, and the security of self-motivation and mental toughness to enable all to thrive.

Working for us, we want you to embody the essence of success, in its many guises and look forward to your talents and expertise being added to the collective group for the benefit of all.

QUEST's Digital Strategy creates pathways for learners and maximises staff time to give quality learning feedback.

OUR CURRICULUM

Utilising our cutting-edge facilities, we use creative approaches to teaching and learning and will focus on personal development, functional skills and competencies linking different curriculum areas, progression and enrichment opportunities, and an emphasis on applied learning. We believe the focus on applied learning encourages crucial developmental aspects specific to the needs of learners.

We **ACTIVATE** students learning through:

- A broad and balanced curriculum
- A focus on health sciences and engineering and STEM
- A focus on personalised learning and the use of digital strategies

We **BREAKTHROUGH** the traditional curriculum boundaries by:

- Pushing subject knowledge beyond the confines of the national curriculum framework
- Engaging in project-based learning
- Embracing a STEM focus
- Using coaching to develop students into owners of their learning journey

We **CULTIVATE** our students for their future beyond UCS by:

- Developing strong Global citizenship
- Working in, and with, the local community
- Working with local employers
- Engaging in meaningful work experience placements and project-based learning
- A programme of enrichment activities enhancing cultural capital for all

OUR PRIMARY SCHOOLS

Our primary schools are keen to offer their pupils a broad and balanced curriculum.

Mathematics and **English** are taught each day tailored to our children. Other areas of the curriculum are taught through a cross-curricular and key skills approach. Some subjects are also taught as discrete subjects.

The children at schools within **QUEST** experience a curriculum that inspires, engages, and provides opportunities for children to lead their own learning. The implementation of our DREAM curriculum ensures progression in the delivery of knowledge and skills, to enable our learners to succeed as "Global Citizens".

Depth of knowledge and understanding is facilitated through

Research

Enquiry and

Analysis to ensure

Mastery of skills

In addition to the statutory curriculum, our schools also strive to give children the chance to gain various experiences. Educational visits and visitors into school are planned as a means of enriching the curriculum.

UNIVERSITY COLLEGIATE SCHOOL

Located within the University of Bolton campus, UCS has an outstanding £10 million facility for 11-to 19-year-olds which includes specialist laboratories for **Engineering, Optometry, Clinical Dentistry, Pharmaceutical Consulting, Medical Simulation, Robotics, Electronics and 3D Printing**. Our facilities uniquely inspire and motivate our students to succeed in their studies and propel their careers forward.

Our staff are subject specialists who employ a wide range of teaching and learning strategies. Our digital platform embedded in delivery to provide the best possible learning opportunities for our students.

As specialist schools and an **Academy Trust Educational Outcomes Award Winning School**, we have continued our success with 100% of our students securing their next steps in education. Our 11-19 school expanded in 2020, and this school continues to deliver education differently. We are proud to be sponsored by the University of Bolton, located on their knowledge campus and supported by our trusted industry and health sector partners.

Our Trust schools now provide a cradle to career learning pathway from 0-19.
