Job title: Senior Social Worker

Service: Children's Social Care; MAST, Duty Service, Locality Service, Children in Care Service, TDS

Grade: 10

Reporting to: Team Manager

Your job

In Children's Social Care, we want to support all children in Wigan to be happy, healthy and safe; to feel listened to and to have the maximum opportunities to be ambitious. We recognise that social workers have one of the most challenging but rewarding roles. We value our social workers; the fantastic work they do and the resilience they show by overcoming challenges every day. Our Senior Social Workers will be responsible for managing risk and care planning and to help make sure our children are safe and they are fulfilling their aspirations. This role will work closely with children and families, social work practitioners and partners across the borough.

This role is an amazing opportunity to support our most vulnerable children and families. You will be a highly experienced social worker, and relish the opportunity to work in a fast paced, creative and supportive environment. You will readily share your knowledge and skills to contribute to a culture of continuous learning and improvement, by mentoring, coaching and support others to achieve a shared goal of improving outcomes for children and their families. You will ensure that practice is underpinned by the Deal principals and our practice standards, and that the Signs of Safety model is embedded in our work with children and families, by championing this model.

Mandatory statement

The Council is committed to complying with the European General Data Protection Regulations (GDPR) and meeting the requirements of the Information Commissioner's office (regulating data protection compliance in the UK). It is your responsibility to ensure that the work you undertake is compliant with the General Data Protection Regulations.

In this job you will

On an ongoing basis you will:

- Deliver consistently good social work practice, leading by example in a team of less experienced staff. You will be accountable for your practice, and readily share your knowledge and skills to contribute to a culture of continuous learning and improvement, and to develop others. You will mentor, coach and support others, including student social workers, to achieve a shared goal of improving outcomes for children and their families.
- Ensure that practice is underpinned by the Deal principals and our practice standards, and that the Signs of Safety model is embedded in our work with children and families, by championing this model.
- Manage a complex caseload, working with children and young people who are in need of help, protection and/or care, and whilst being based in a specific team, you will be courageous by working across the service where necessary to meet demand. You will adopt a flexible approach

to service delivery and use your skills to work across the Children's Social Care directorate. This will include working with children in need, child protection, pre-proceedings, care proceedings and/or children looked after; and your workload will include assessments, planning, intervention, and review. You will be responsible for the risk management and care planning for children in complex, challenging and high risk circumstances, who are subject to statutory intervention.

- Ensure your work complies with legislation and government guidance, so that it stands up to scrutiny, will keep accurate, up to date records, and will use data to manage your own performance, supporting others to do the same.
- Be equipped to maintain partnerships, and have experience in influencing and inspiring partner agencies, working together to solve any issues. By being positive, courageous and accountable, you will ensure that partners feel valued and able to influence care planning and decision making.
- Have a key role in learning; taking a keen interest in case reviews, complaints and audits, sharing learning with colleagues and supporting them to close the loop following audit activity.
- Have a key role in learning; taking a keen interest in case reviews, complaints and audits, sharing learning with colleagues and supporting them to close the loop following audit activity.
- Have a key role in our transformation programme, working together with team managers, service managers and service leads to deliver our strengths-based approach through multi-agency and collaborative working, with a relentless focus on ensuring children get the right help at the right time, from the front door through to achieving permanence. You will lead by example in embracing change and supporting your team through this positively.
- Support our services to maximise and improve use of technology to facilitate improved practice.
- Ensure you operate within GDPR guidelines by regularly reviewing data held and destroying information in line with retention schedules.
